Pierre Herme Macaron Book English

Pierre Herme is the Master for macaron without a doubt. I was glad when the book has the English version out. The photos are beautiful make you want to make these little sweets. The instructions are easy to follow but there is something that I am not sure and never follow which is the cooking temperature, not sure if it's a misprint.

This book is totally amazing. I finally received the English version (from another book vendor) and it's well worth the wait. It starts off with a introduction and background of Pierre Herme. Then there's a section on his secrets to making macarons with pictures for each step, assembling, utensils and frequently asked questions.
